

St Swithun's Catholic Primary School

School Improvement Plan 2023-2025

Our Mission Statement is **'Love one another as I have loved you'** John 13:34

Our mission statement is 'Love one another as have I loved you' and is modelled by the whole school community and demonstrated through our mutual respect and love for each other, God's creation and our drive to do our best in all we do.

This is underpinned by our vision; all children are happy, resilient and independent learners with a strong motivational drive to fulfil their potential. We believe that every child has the entitlement to an aspirational curriculum which sets high expectations for all. Our programmes of learning provide rich experiences, build a depth of knowledge and equip children with the skills to be lifelong learners.

At St Swithun's Catholic Primary School, we model excellence in everything we do. This begins with positive and respectful relationships where every member of our school family is valued. We develop the whole child giving the skills to positively contribute to their community. We have a highly skilled and knowledgeable team who collaborate effectively with children, parents, governors, diocese, church and other stakeholders to give our children the very best start in their learning journey.

We believe this can be achieved by working closely with our families who are the first and most important educators of their children. The staff and governors of St Swithun's School, therefore, foster and encourage an open and supportive partnership between home, school and parish so that together we can help each child to develop in a happy, secure, and caring atmosphere.

Priorities for 2023-2025	
Achievement Gaps	<ul style="list-style-type: none"> • Cohorts most effected by Covid are (as of Se Year 3/ Year 4/ Year 5– continue to invest catch up (2023-2024) and interventions to target gaps (2023-2025). • Writing and reading across the school, with special consideration to those affected by gaps in learning caused by Covid (cohorts 2014/2015). • Targeted support to ensure maths quality first teaching and interventions (if needed) in LKS2. • Greater depth (GD) in all year groups, with a special focus on writing, equal to or higher than that the national outcomes data (2023-2024). (2024-2025) with a focus on GD in KS2. • Continue to close the gap between disadvantaged and non- disadvantaged pupils, where there is no SEND needs.
Priority 1 Developing the Catholic life of the school	<ul style="list-style-type: none"> • Promoting and enhancing children’s spirituality, moral, social and cultural development. • Introduce and implement curriculum changes from the diocese. • Implement updated assessment criteria and moderate across phases. • Support staff subject knowledge and questioning. • Develop the Catholic environment. • Redevelop collective worship, including child-led worship in line with the dioceses Celebration of the Word program.
Priority 2 Quality of Education	<ul style="list-style-type: none"> • Raise combined attainment and progress for all pupils across all phases so outcomes improve year on year. • Develop the use of monitoring to ensure high quality teaching so that children develop knowledge and skills to achieve best possible outcomes in RWM. • The school’s curriculum intent and implementation are embedded across the school so that work is of a consistently high quality and learning experiences help the children remember what they have been taught so that they learn important aspects, such as historical chronology, more deeply. • The curriculum is effectively sequenced to build upon children prior learning and enable children to widen their knowledge and understanding, starting from EYFS. • Further develop subject leaders' knowledge and expertise to continue developing the school’s curriculum and embed best practice across subjects. • Ensure groups of children who are most vulnerable to not achieving their potential make good progress by focusing on the classroom environment and adapting the curriculum. • Embed the Feedback and Assessment Policy so it moves children’ learning forward in all subjects, provides helpful formative and summative data for teachers and is cognisant of teacher workload. • Ensure assessments for each year are moderated internally with core subjects moderated with other schools in YR, Y2, Y4 and Y6. • Continue to improve curriculum and standards in all subjects – see leaders’ subject action plans. • Digital strategy provides all members of the school community with skills to use a range of technology safely and effectively, so they develop the skills and knowledge for lifelong learning.
Priority 3 Behaviour and Attitudes	<ul style="list-style-type: none"> • Embed relational practice throughout the school to build relationships, improve behaviour and create a strong school community where everyone feels they belong, are safe, cared for and valued. • Enable children to grow leadership within the school, ensuring child voices and opinions are heard in improving both our school and the local community. • Ensure all our children are staying safe online both at home and school. • To continue to improve whole school attendance and punctuality and ensure number of children at risk of persistent absentees is reduced.
Priority 4 Personal Development	<ul style="list-style-type: none"> • To ensure the mental health of children continues to be a high priority for all and that children know how and where to seek support. • To ensure the mental health of staff continues to be a high priority for all and staff feel able to openly seek support if needed. • Ensure children understand how to be responsible, respectful citizens of the world understanding, respecting and celebrating difference while developing their spiritual, moral, social and cultural development. • To develop British values of democracy, rule of law, individual liberty, respect and tolerance. • To ensure that we offer a range of opportunities to nurture, develop and stretch all children’s talents and interests to broaden their development. • Establish a PSHE curriculum that will support learners’ broader development and implements the relationships and health education of all children.

Priority 5 Leadership and Management	<ul style="list-style-type: none"> • To continue to promote a clear and ambitious vision for the school, which relentlessly focuses on improving the quality of education – through the quality of our curriculum, teaching and learning and outcomes (progress and attainment) and extending collaboration opportunities for leaders at all levels. • To ensure an effective program of support for ECTs remains in place and meets their needs allowing them to thrive. • Leaders continue to develop opportunities to engage with children, families and community to make a positive difference. • To ensure governors are robust and rigorous in holding leaders to account for the quality of education and school improvement. • To ensure school continue to build on their strong safeguarding culture.
Priority 6 Early Years	<ul style="list-style-type: none"> • Construct an ambitious curriculum that supports the development of each child. • To ensure there is a systematic approach to teaching early reading and synthetic phonics. • All staff are knowledgeable about the teaching of early mathematics. • To ensure the outside area supports children’s development across all areas of the EYFS. • To continue to build positive relationship with parents and carers. • EY manager and deputy pre-school manager to inform and support staff with sequence of learning. • Ensure that the pre-school expansion (funded mainly by the LA) will be open September 2024, and filling all 24 addition session spaces by the end of Spring term.
OFSTED - GOOD (Sept. 2019) School priorities	<ul style="list-style-type: none"> • Leaders need to continue their work to improve some parts of the curriculum, such as in geography and history. In these subjects, leaders should develop how learning builds on what children already know and understand, so that they learn important aspects, such as historical chronology, more deeply.
Section 48 - GOOD (Nov. 2019) School priorities	<ul style="list-style-type: none"> • Ensure the improvements in teaching and learning in RE are embedded across the school. • Develop opportunities for children to study and apply the principles of Catholic Social Teaching (CST) throughout the curriculum and life of the school. • Embed in upper Key Stage 2 and then extend to all year groups the recent move to children planning and leading aspects of their own worship, ensuring expectations are appropriate for the age of the children involved.

Priority 1: Developing the Catholic life of the school

Subject Leads	Subject leads to review knowledge organisers and provide feedback to phases on quality. SENDco to support Pupil voice	Quality of work, in all non-core subjects, demonstrates that the children are learning the right things in the right order, prior knowledge is built upon and good progress is made, allowing children to make links and widen knowledge and vocabulary resulting in them remembering and retaining more consistently.	Ongoing from each half term 2023
	Ensure knowledge organisers are refined to maximise their impact to support children's learning, including pictures and EYFS knowledge (where appropriate).				Ongoing from each half term 2024
Further develop subject leaders' knowledge including prior knowledge from EYFS and expertise to continue developing the school's curriculum and embed best practice across subjects.	Subject leaders demonstrate secure subject knowledge including pedagogy. Keeping to date with developments in their curriculum area (e.g. Ofsted subject reviews).	MD	Relevant training undertaken and then updates given to MD. PDMs every term with dedicated research time to research linked with their subject action plan, with a short recording form. SLT to provide research packs and links to support staff.	Monitoring demonstrates the development of pedagogy and effective teaching & learning across all subject areas with implementation clearly aligned to intent. Leading to pupils retaining key knowledge and vocabulary, therefore learning more and progressing.	Ongoing from each half term 2023
	Embed and continue above as well as provide dedicated research time for staff to research relevant educational topics to increase their pedagogy and subject areas.				Ongoing from each half term 2024

	Subject Leaders will ensure the implementation of the curriculum is closely aligned to the intent and there is strong evidence of skills and knowledge progression across all subjects.	MD	Subject Leads to deliver PDM sessions as required to ensure fidelity to the intended curriculum. Sub leads to provide governor updates.	Moderation of outcomes demonstrates accuracy of assessment. Quality of work supports reported outcomes.	Ongoing 2023 – see PDM timetable
	Subject leaders will start to understand the complexity of needs across the school and provide support for teachers to deliver lessons accessible for all learners.	SENCo	Learning walks show adaptation. Subject leaders are able to support or signpost to additional resources. Discussions with staff, time in PDM to share practise. SENCo meetings and support.
