

## Early Years Foundation Stage (EYFS) Visit to YrR

On 22<sup>nd</sup> April 2024, an Early Years Advisory Teacher from Portsmouth City Council came to visit our YrR classes. This was a very positive experience and one the children and staff enjoyed taking part in. Below are some 'sound bites' from the report.

"Children were observed to be settled, engaged and enthusiastic about their learning. Adult deployment has been very carefully planned which supports all levels of need in an inclusive way which was also conducive to learning for everyone."

"Adult deployment has been very carefully planned which supports all levels of need in an inclusive way which is also conducive to learning for everyone."

"Adult interactions were warm, inclusive and calm."

"The teachers were both engaging and supportive, modelling strategies and making connections to support children's understanding."

"Active learning opportunities were spread through each part of the day. This was notable with Read Write Inc (RWI) input, which has various elements and children were kept engaged and motivated."
