Is there anything else you would like to tell us about the Catholic life and mission, religious education or prayer at this school?

- *The children engage brilliantly in what is offered to them in the mentioned elements above. Because of this, there is strong cohesion in the children's understanding of the school's mission statement and how this feels into the wider curriculum and each day generally.*
- *There has been a clear focus in whole school practise and the support in our own practice is evident.*
- *Our mission statement is used as a 'positive role model' on numerous occasions and contributes to the children's responses and reactions to conflict.*
- *Prayer and worship are valued by staff and children in the school and this has progressed in the last couple of years. Support has been given, including shown expels of CotW, so staff feel secure in their own teaching and leading of CotW.*
