Jewellery and Other Personal Effects

- All jewellery and other personal effects such as watches necklaces etc., must be removed for all PE lessons and ideally not worn to school especially on PE days.

- Any jewellery or watches that are worn to school on PE days will be stored in a box during PE lessons. Please note that the school will not be held responsible for any losses or damage.
- If, under exceptional circumstances, jewellery cannot be removed (e.g. newly pierced ears up to a period of 6 to 8 weeks), the risk of injury will be reduced by the child securing the studs by the use of a microporous tape.
- Please note that only studs can be worn to school, no looped or dangling earrings are allowed.
- We would appreciate it if no earrings were worn on PE days, if they are they will need to be taped with microporous tape to minimise the risk.
- School staff will not involve themselves in the process of earring removal or taping, other than providing the child with appropriate tape.
- School accepts no liability if items are damaged or lost.
